Lounge 638-3700

THE PRESIDENT'S CUP

I think the golf season is finally here. We sprang forward an hour, the tarps came off the greens, the Proshop is starting to fill with this seasons newest golf items, golfers are sprinkled around the course and I was able to play a round of golf with only a light jacket and no gloves last Sunday. I have even heard rumors that a few of the snowbirds are in the process of returning soon.

Now is the time, if you haven't already, to get into the Proshop and get yourself set. Get your golf pass and memberships renewed. Get your handicap card and Ace insurance and get your clubs and yourself tuned up for the golf season.

Don't forget to stretch a little before your round. It has been a long cold winter and we don't need any injuries slowing us down.

Start to look for a few "spruce ups" around the Club too. The board has a few things in the works to make the patio area look nicer and the Club feel new again. The crowds are soon on the way again so we ask that you obey all of the parking signs and striping again this year and only park in designated areas.

As always this is your Club and we want to hear from you. Our board meetings are at 5:30 every third Monday of the month and are open to all members. Please attend and let us know your thoughts and ideas.

Don't forget to bring a friend to the Club and show them a fun time. Recruit a new member.

See you around the course.

THE SECRETARY'S TREASURES

Ahhh.. Spring!! It's time to gear up for the much awaited golf season and other "warm weather" activities. The Club is seeing many new members for the 2011-2012 membership year – WELCOME!

February's financial report shows: Income of \$44,140; Expenses of \$45,086 = Net Operating LOSS of \$-946 (February 2010 had an operating loss of \$-12,350). First Interstate Wealth Management account increased by \$3810 in February – current value is \$283,474.

Oops! I nodded off. A long time member commented that she was not aware the Club has a web site. Hey. The Club has a WEB SITE! It is www.airportgolfclub.com

In mid-April, a SUGGESTION BOX will be placed in the Club. A talented Club member has created a "suggestion box" that is sure to catch your eye! Give us your ideas.

ACTUAL CALL RECEIVED AT A PUBLIC GOLF COURSE:

Staff: Golf Course, may I help you?
Caller: Yes, I had a tee time for this afternoon but I'm running late.
Can you still get me out early?

*Happy
Easter to all*

Jan Booth
Secretary/Treasurer
Club email: airportgolfclub@bresnan.net

VICE PRESIDENT'S SLICE

Spring is officially here, and the golf season is just around the corner.

Memberships are due April 1st, so make sure you have your membership cards handy. The bartenders will be enforcing our policy, and you may be asked to present your cards.

The winter festivities are over, and the Board would like to thank all of you who participated and supported the Club. Fun was had by all, and we saw some new faces around the Club.

The 2011 Tournament Schedule is out, so be sure to mark your calendar for the Club

Tournaments, so you will not miss out on all the fun. The tournament schedule is busy but the course is never closed except for five days a year for the Wyoming Open. Open play is available every weekend. We are the only 18 hole public golf course in Cheyenne. Mike has to cater to the membership, the public, and the private sector who would like to have a tournament. I think Mike does an excellent job of juggling the schedule to accommodate everyone so that we all have a chance to play the game we love.

Here's to a great season, I am looking forward to the sounds of the game. The club striking the ball, the ball falling in the cup, names over the loud speaker, and the laughter and the stories of the membership after the rounds at the 19th Hole.

FROM THE HOUSE . . .

Howdy,

The St Patrick's Day dinner was a great success and well attended by the membership. A huge thank you goes out to Linda and her staff for another job well done.

Burger night continues to be well supported and will continue. Steak night is doing well also and will continue as planned. The carry-in dinner did not fare so well.

"Pepie" put on a great show again and generated an overwhelming crowd and will be back on the second Friday of the month from 5-9. If you haven't had an opportunity to come out for the show, please try to attend. You will be entertained and have a great experience as well. Please come early if you can as the bar area fills up fast.

Don't forget that we are planning to hold a golf equipment buy, sell and swap meet on April 23rd from 10-3. I haven't had very much feedback from the membership concerning this event, so I'm not sure if it is something that we want to pursue. Got any golf equipment you don't want or use? Do you want to trade for something that you do need or want? This event is intended to give the membership an opportunity to meet new and old friends as well as give us an excuse to clean out our garages, storage sheds and outbuildings of old or slightly used golf equipment in anticipation of the upcoming golf season. If you are interested in participating as a vendor, there will be a \$5.00 charge to rent a table in the dining room. The proceeds from the rentals will

go to our scholarship fund. There is a sign-up sheet on the bulletin board in the bar for those who want to participate. Please sign up as soon as possible so we can decide whether or not to hold this event as scheduled.

If you have any questions, suggestions or new ideas that would help us provide quality services to the membership, please feel free to contact me at cm.howdy@bresnan.net.

House Chairman
 Craig Mize

Golf is Good For You!!

Golf is good for you. That's the conclusion of a study recently completed by an American sports scientist. But we didn't need a scientist to tell us that, did we? Golfers know that getting out there on the course, swinging the club and - especially - walking is a bit more than just a leisurely stroll in the park. We already knew that golf requires coordination, concentration, and, yes, physical effort, to play successfully.

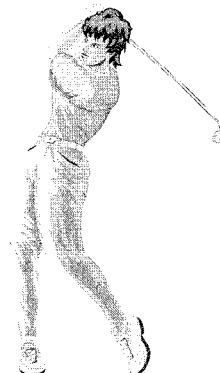

But it's always nice to have an expert verify those beliefs. Particularly when the study in question revealed some interesting and very specific conclusions about the value of golf as exercise, and also about the effects of different kinds of effort on the golfer's score.

The scientist who conducted the study is Neil Wolkodoff, who is the director of the Rose Center for Health and Sports Sciences in Denver, Colo.

According to the lengthy Associated Press article about the study's findings, Wolkodoff recruited eight amateurs, all men, with ages ranging from 26 to 61 and handicaps ranging from 2 to 17. The volunteers were fitted with various sensors and measuring equipment, and then each played the front nine of a hilly suburban Denver golf course several times over the course of the study period.

What are the chances??

I was in high school and was golfing with a buddy of mine. We came to a par-5, dogleg right. The dogleg has some trees that you can go over (or through) if you want to cut the corner -- or shorter hitters can just go around the dogleg. I was lying two, getting ready to hit my third shot to the green. My friend had tried to cut the corner but hit some trees so he was looking for his ball. I decided to go ahead and hit. It was an OK shot, but was heading a bit right. Then, all of the sudden, I see it hit another ball in mid-

air. I look over and my friend had hit at the exact same time, only to have our balls collide in the air. The odds of this happening are 1 million-to-1. We went up to find our balls, all the while going nuts about how this happened. As we approached the green we found his ball, but mine was nowhere to be found. That is, until we looked in the hole. Just like I planned it ... 130 yards out, slight fade, off the golf ball in mid-air, on the green, nothing but the bottom of the cup. I will never forget it!

From The Tournament Director...

Communication is the key to success! With that being said, there was miscommunication with Opening Day Scramble dates in last month's new letter. Correct date for Opening Day Scramble is 22 May and the band Seven Sundays will return for your listening pleasure. Opening Day Tourney is a pick your own team format, so start getting your teams together.

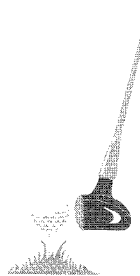

Other dates for this year's Club tournaments; May 28-30 – Shorty Walker, June 12 - Couples Tourney, Aug 28 - Club Scramble, Sept 3 – 5 Club Championships.

GIL FERREL

DIRECTOR OF GOLF

March 28, 2011

Greens aeration is scheduled for the week of April 18th for the Airport and May 9th for Prairie View, weather permitting. By splitting up the dates, three weeks apart we will be able to provide at least one course at a

time with healed-in greens. We will double aerate again this year season in an effort to forego our usually late August aeration. Thanks for your patience during this process.

Ron Conard
Director of Golf
City of Cheyenne
(307) 637-6422

A Brief Summary of the Rules

A must tool that every serious golfer should have in his armor is the USGA handbook for Golf rules. Following are some important and very commonly used USGA rules coming into play regularly on a golf course.

- Every player needs to put a distinct identity mark on their ball to make sure that they are playing the right golf ball throughout the course of the round.

- USGA golf rules limits the count of clubs in your bag to fourteen, during your play.

- In order to be considered legal to play, the ball must be placed between the two tee markers on the tee box of each hole.

- One must abstain from moving the tee markers while they are on the ground or in the tee box.

- In case your ball falls down from the tee while attempting a stroke, you are allowed a penalty free stroke after placing the ball back on the tee.

- In case there are any loose pediments in your line of putt, you are allowed to remove them. However, you should not press down anything.

- You should wait for other players' balls to stop before executing your stroke on the putting green.

- You are liable for stroke penalties in case your ball hits the flagstick while putting from the putting green.

- Barring any local rules, you are bound to play the golf ball as it is.

BOC VENTURES
OHREN COOK

"Games People Play"

Phone 307-635-7005
Email: bocventures@bresnan.net

Daily golf cart rentals have been increased. This increase is due to the price of gasoline and increasing cost of general maintenance. The new prices will be \$6.40 per rider for nine holes, \$12.75 per rider for eighteen holes. Yearly cart passes will remain the same as in years past. We are also looking into a cart punch pass, if this is something that you would like to see, let us know.

Aeration will take place this month. We will close one nine each day so that the process might be completed as quickly as possible.

High school golf practices will begin on the 11th at 3.00 PM each day. The driving range will close during this time for about an hour and a half.

Memberships, annual passes, and handicap fees were due April 1st. Please be patient with us as we take care of all the memberships as they come in. Also, those of you who have purchased a social membership in the bar, your card will be in the bar to pick up.

The men's association will have their annual kick off lunch and meeting on Wednesday, April 27th at 12.00 noon. The cost is \$15.00 per player for dues and \$5.00 each week that you play. Call the golf shop for more information.

New merchandise is arriving daily in the golf shop so stop by and take a look.
