October 2011

Lounge 638-3700

THE PRESIDENT'S CUP

October is here and that means it's time for the annual membership meeting. October 30th will be the date for this year's meeting. Now is really the time for you to have a say in the direction that your club is heading. Be a part of our annual meeting and voice your opinions. Even more important, get your letter of intent in to run for the board of directors. It's easy to sit back and say, "I think this should be done", "This is what I think the club needs to do or not do", but it takes a little effort to step up and run for the board and help the club run, grow and change for the better. I challenge you to step up and run. I have formally submitted my letter of intent to the board and will be running again this year. Please step forward and join me. The more members that run for the board the more choices our members have to choose from and the better our club will be in the long run.

Look for some fun things coming to the club again this fall and winter. We have some fun planned to keep all of us that aren't lucky enough to head for warmer weather entertained this winter. If you have anything or know anyone that has anything that they would like to donate for a gift, whether it's a nice prize or a gag gift, let me know. Let's Make a Deal is back for the second year it always helps out to have a few extra prizes.

Greg Jourgensen
Board President

President	Greg Jourgensen
Vice President	Patty Hendershot
Secretary/Treasurer.....	Jan Booth
Tournament Chairman.....	Gil Ferrel
House Chairman.....	Craig Mize
Club Manager.....	Linda Green

THE SECRETARY'S TREASURES

Here we are in a season change; the weather takes on a chill in the evening, football is back in our schedules, and the Snowbirds are starting to thin out – "Bye-Bye Snowbirds, Have a great winter!" I hope everyone's summer was the BEST.

It's less than a month before the Annual Membership Meeting – Sunday, October 30th at 10am – please mark your calendars (...er Blackberrys).

Have you thought about running for a position on the Board of Directors or do you know someone that you would like to have represent your Club? There are 3 positions open: two positions are a two-year elected office and the third is the one-year secretary/treasurer position. If you have any questions about what is involved in serving on the Board, please feel free to ask any of the Board of Directors.

August's financial numbers:
Income \$86,251; Expenses \$72,405;
Investments ☺ \$-8,937 = NET INCOME \$4,909.

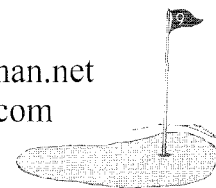

Thanks for a GREAT YEAR and your tremendous support! See you at the Membership meeting!!

Jan Booth

Secretary/Treasurer

Club email: airportgolfclub@bresnan.net

Website: www.airportgolfclub.com

A Note:

Golf is a game invented by the same people who think music comes out of a bagpipe.

–Lee Trevino

VICE PRESIDENT'S SLICE

Our golf course has been in great shape all season;
Ron and the maintenance crew are the reason.

Our membership has grown,
by leaps and bounds;
Golfers have played many a round.

The end of the season is so near;
Now is the time for us to switch gears.

Baseball playoffs, then the World Series;
Football passes, catches, and carries.

Watch for details for the Halloween party;
Also, the Annual Meeting, so you are not tardy.

When the weather is cold, the clubs put away;
Look forward to "Let's Make A Deal", be sure to play.

Fall and winter, we try to make fun too;
So come join the activities, so you are not blue.

Until next month, as you can see;
These are words of wisdom, from your V.P.

Patty L. Hendershot

FROM THE HOUSE . . .

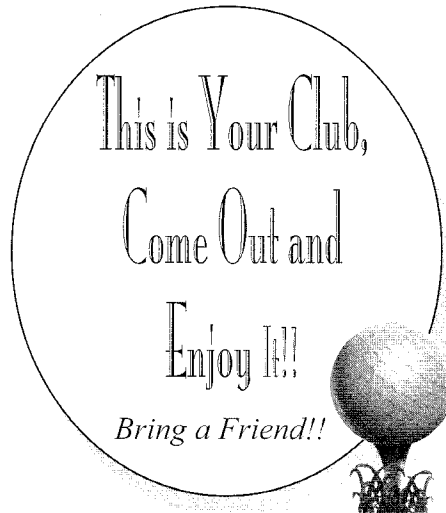

Howdy,
Fall is here! I hope everyone had a great summer of golf and other outdoor activities. As we move indoors, we need to focus on other activities to entertain the membership. With that said we will kick off the winter season with our annual Halloween party on the 28th of October. We will have a dance floor in place for those of you that care to shake a leg or whatever throughout the evening. We are going to try something new this year. We are going to use our Juke-Box for the music instead of a DJ. The Board of Director's will feed the first \$50.00 into the Juke-Box and the music will be selected by the membership. Everyone should have the opportunity to play their favorite songs. Please feel free to wear your favorite costume as we will award prizes for the best costume's voted on by the membership present. If you don't want to wear a costume, come on out anyway and enjoy the fun and camaraderie. Football season is in full swing and we are ready to support the UW Cowboy's by offering light snacks during all televised games and the Bronco's by offering \$2.00 draft beer specials during all of the their

games. On Monday night's we will offer hot dogs for a donation to the scholarship fund at game time.

Let's Make a Deal returns on November 1, with great anticipation. This game was extremely popular and well supported by the membership last year. We will offer some of the same type prizes as last year with a few new and exciting prizes available to players. So, please come out and play when you have the opportunity.

Pepie will be here to perform for us on the second Friday of each month from 5-9. If you have not had an opportunity to come out and see his show, please do! Remember that happy hour during Pepie's show has been extended from 5-6 and is now from 5-8. Please come out for his show and treat yourself to some great live entertainment. If you have any questions, suggestions or new ideas that would help us provide quality services to the membership, please feel free to contact me at cm.howdy@bresnan.net.

Equipment Development

Ever Wonder About the Equipment You Use to Golf?

The evolution of golf can be explained by the development of the equipment used to play the game. Some of the most notable advancements in the game of golf have come from the development of the golf ball. The golf ball took on many different forms before the 1930s when the United States Golf Association (USGA) set standards for weight and size.[26] These standards were later followed by a USGA regulation stating that the initial velocity of any golf ball cannot exceed 250 feet per second. Since this time, the golf ball has continued to develop and impact the way the game is played.

Another notable factor in the evolution of golf has been the development of golf clubs. The earliest golf clubs were made of wood that was readily available in the area. Over the years, Hickory developed into the standard wood used for shafts and American Persimmon became the choice of wood for the club head due to its hardness and strength. As the golf ball developed and became more durable with the introduction of the "gummy" around 1850, the club head was also allowed to develop, and a variety of iron headed clubs entered the game. The introduction of steel shafts began in the late 1890s, but their adoption by the

governing bodies of golf was slow. In the early 1970s, shaft technology shifted again with the use of graphite for its lightweight and strength characteristics. The first metal "wood" was developed in the early 1980s, and metal eventually completely replaced wood due to its strength and versatility.[27] The latest golf club technology employs the use of graphite shafts and lightweight titanium heads, which allows the club head to be made much larger than previously possible. The strength of these modern materials also allows the face of the club to be much thinner, which increases the spring-like effect of the club face on the ball, theoretically increasing the distance the ball travels. The USGA has recently limited the spring-like effect, also known as the Coefficient of Restitution (COR) to .83 and the maximum club head size to 460cc in an attempt to maintain the challenge of the game.

Airport Golf Club Ladies Bridge Group

On the 1st and 3rd Wednesdays, we meet at
11:30am for Lunch and
Play Bridge at 12 Noon

If you are interested in joining this GREAT group
of Ladies,
please contact **Doris McAfee at 631-6669**
Thank You!

We are looking forward to a FUN YEAR of BRIDGE.

DIRECTOR OF GOLF

September 26, 2011

The clubhouse repair work is moving along. In order to get enough bids and a fair price we ended up giving the painters a later completion date than I had first planned on. The painting work cannot start until the masonry and concrete work is near completion. Since many of the outfits were already on a tight schedule with other projects, we decided to extend the completion date for painting until May 15th of 2012, as winter is closing in fast. Of course if they can complete the work yet this fall great, but if not everything will be buttoned up by spring.

Winter preparations on the courses are now in progress. A big aspect of this process is "shagging" the courses out. Inevitably, this is not always the most popular course of action but in the end I think it has paid dividends on course survival each spring.

From The Back Tee...

Hi Gang,

The summer tourney season has come to an end so that means that weekend tee times will also end. All play from this point on will be first come, first served.

Also please remember that the season cart passes will also end on the 1st of October. All tournament credit will expire on the 31st of October and this year there will not be any carry over due to the cleaning up of the computer systems in November.

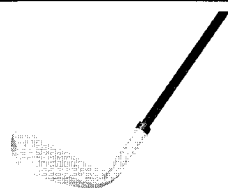

We will change the hours of opera-

tion in the golf shop starting the first of October. We will open at 7.00 AM and will ask that all rental equipment be returned by 7.00PM daily.

We thank you for your support throughout this season and we hope to continue

to see you during the great fall weather that is still headed our way.

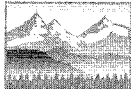

*Let's Get Out
and Enjoy
The Game!!*
